You can be assured that CampCo staff are "the best." Many CampCo staff are off-season teachers, substitute teachers, college and high school students. Each of our staff participate in intensive group and face-to-face interviews, are fingerprinted and must pass Department of Justice background checks before they can work with campers.

All of our Camp staff participate in a minimum of 30 hours of Training per year including Camp Games, Songs, Crafts and other Recreational Activities, CampCo Policies & Procedures, Child Abuse, Handling Behaviors, CPR, First Aid, Basic Water Rescue and Emergency Situations, and other camp-related subjects, prior to Summer Camp. Sr. Recreation Leaders and Camp Directors participate in at least 10 additional hours of Management Training each Summer. In addition, year-round staff participate in various in-service trainings throughout the school-year.
