

Meet Our 2022/2023 Piper Club Staff

Miss Sylvia

I have worked in the field since the early 1980s in various settings. I have worked residential sleep-away camps, built Haunted Houses, planned resort activities, worked harbor cruises, ran corporate picnics, planned Easter Egg Hunts, taught PE & afterschool programs, ran junior high dances & overseen summer day camps. I am now the Owner of CampCo which I started in 1998, after leaving my 9-year city Recreation Supervisor career to start the company.

I live in Mission Viejo with my two kids, college student Cameron & high schooler Cassidy who both grew up as CampCo campers and counselors. I enjoy camping, hiking, skiing, swimming, biking & any outdoor activities with my family & friends. I also enjoy any learning opportunities (books, Ted Talks...) on personal and professional growth.

I love my job because I enjoy watching children learn & grow each day & I think kids are pretty much the most hilarious people on Earth.

Miss Kinder

While studying to be an Elementary School Teacher, I started as a Summer Camp Counselor at Lake Mission Viejo in 1999 & joined CampCo in 2001. During my career with CampCo, I have been a Site Director, Area Director & eventually moved up to Recreation Manager planning & overseeing programs, hiring staff & designing/updating the website.

I obtained my BA in Liberal Arts with the intent to become an elementary school teacher, but changed paths in 2003 because of my love for Recreation. I love working with kids & the new surprises that each day brings. The look that children have when they learn something new is priceless. The variety of work keeps me busy & makes work very rewarding.

My hobbies include rock climbing, canyoneering, playing co-ed softball, snowboarding & fantasy football. I live in Mission Viejo with my husband Sean & children Brady & Kenzie.
