Dear Sir or Madam;

CampCo is a full-service recreation provider that can meet the recreation and special event needs of your organization while saving you the time and hassle of hiring qualified staff and overseeing day camps, classes, special events or a full recreation program.

CampCo's experience and expertise in children's day camps and classes will keep your youngest residents entertained and their parents ecstatic! Our popular Summer, Winter and Spring Break Day Camps are a hit with our campers. Specialized classes such as preschool & youth sports, science/math activities, chess, drawing, Lego-fun and many more are available. Have an idea for a class that you would like to see in your community? Just ask!

Of course, we need to keep the adults busy, too! CampCo Recreation can offer a variety of parent/child, teen/adult, adult-only and family-friendly classes and activities to meet the needs of your residents. Yoga, Pilates, Boot Camp, Mommy-to-Be Exercise, Baby-&-Me Fun, CPR/First Aid, Babysitters Course are just a few of the classes that CampCo can provide.

CampCo can also help you by planning and running your special events such as Easter Egg Hunt, Halloween Monster Mash, Holiday Party, and similar events. Looking for help with just a portion of your event? CampCo's peppy Recreation Staff can provide exciting relay games, lead fun crafts booths, run carnival games or work as extra event staff to help where needed.

Call CampCo Recreation, today, to discuss how we can help with a portion or all of your community's recreation needs!

Sincerely,

Sylvia N. Rosenthal

CampCo Owner
