#### **CampCo Lost & Found:**

- Put your child's name on everything.
- CampCo is not responsible for items that may be lost, stolen or damaged while at camp.
- Lost & Found items are displayed, daily, for campers to look through. Occasionally, Lost & Found items are displayed during drive-thru. Parents may also want to check the Lake's Lost & Found bin located outside the Lifeguard Headquarters.
- Unclaimed items are donated mid-summer & on the last day of camp.

## **Preparing & Packing for Camp:**

Print this Mini-Checklist. It's perfect for posting one on your refrigerator & another on the back of each child's bedroom door (so they can help pack, too): **tbd: LINK TO MINI-CHECKLIST**

### **What to Wear:**

- Apply sunscreen (SPF 30 or higher).
- Wear swimsuit under their clothing. To make it easier for female campers at restroom time, ideally they should wear 2-piece suits. We do not take time to change into swimsuits before swim time.
- Wear weather-appropriate "play clothing" that can get messy.
- Campers are encouraged to wear their CampCo tie dye t-shirt, especially on Tie Dye Tuesdays & Thursdays. Shirts available for purchase in morning drive-thru line for \$15 each (cash or Venmo). Not required, but most campers wear them.
- Wear closed-toed, sturdy tennis shoes (sandals & Crocs are for swim time ONLY).
- Put child's name on EVERYTHING from head-to-toe.

- Put your child's **NAME ON EVERYTHING** & place in a Backpack (a separate backpack for each sibling).
- Bottle of Sunscreen (separate bottle for each sibling).

(Children will change, then put wet towel & suit in bag after water time. Write child's name on bag, too).

### **Do NOT Pack/Send:**

- Nuts or any items containing nuts of any kind. We are a nut-free camp.
- Cell phones, wristwatch communication devices.
- Electronics, iPads.
- Toys, dolls, stuffed animals, sports equipment, fishing gear...
- Animals of any kind.
- Weapons or toy weapons.
- Alcohol, drugs, vapes, tobacco items. Medications/epi-pens, must be given to Site Director upon arrival.
- Other items may be restricted as staff feels necessary.

### **Before Leaving Home:**

- Give hugs & kisses at home before getting in the camp drive-thru line.
- Put your child's belongings in an easily-accessible location in your vehicle (in their lap, not in the trunk).
- Ideally, have child sit on the passenger side of the vehicle for the safest & easiest exit during drive-thru.
- Remind your camper about expected behaviors at camp.

## Drive-thru Drop-off & Pick-Up:

Our convenient drive-thru makes drop-off & pick-up quick & easy! Here's the scoop...

Monday drive-thrus (& the first few days of camp) are longer wait times as first-time families learn the routine. Help shorten the wait by:

- Watch the Orientation Video & read this information so you know what to do & where to go.
- Call us with any questions during the week prior to your camp rather than asking in the drive-thru.
- Have child's backpack on their lap so they may exit quickly. Do not put their belongings in the trunk.
- Have children ready to exit the vehicle & to do so once directed by staff.
- Driver & other non-camper passengers remain in the vehicle at all times.
- Drive-thru is held at the following times:

When?	How?	Where?
8am-8:10am	Drive-thru Drop off	Near Boat Launch
9am-9:10am	Drive-thru Drop off	Near Boat Launch
3:50-4pm*	Drive-thru Pick up*	Near Boat Launch*
5:50-6pm	Drive-thru Pick up	Near Boat Launch
In-between drive-thru times	Walk your child in to camp	Location depends on time of day

- Enter at the North Beach gate. Lake Membership card is REQUIRED for gate entry.
- Vehicles with pets inside will NOT be permitted through the LMVA gates.
- The Gate opens AT 8am. If you arrive prior to 8am, wait in the line of cars at the closed gate.
- NEVER-NEVER-NEVER ENTER THROUGH THE EXIT AT THE GATE ENTRANCE!
- Follow the CampCo directional signs straight ahead & then down towards the Drive-thru.
- Watch for & obey all stop signs, one-ways, & other signage in the parking lot. This route is ONE-WAY.
- Line up at the "Please Wait Here for Sign-in/Out" sign. Stay in your vehicle.
- Stop vehicle at the following stations:
  - **Tie Dye Shirts:** [CampCo Tie Dye Shirts \(\\$15, Cash/Venmo\)](#).
  - **Dashboard Card:** [Get a dashboard card & quick camper health check](#).
  - **Sign-in:** Site Director will sign in for each child.  
Campers must be dropped off by an authorized person aged 16 years or older.  
Tell Site Director if picking at 3:50-4pm (\*we ONLY bring those campers out)
  - **Campers Exit Vehicle:** Pull your vehicle to the curb next to the grassy area. Put vehicle in "Park."
  - **Staff assist Campers from Vehicle:** Staff will open passenger-side car doors to allow children to exit the vehicle & direct them onto the grassy area beside the drive-thru.
- After dropping off at the drive-thru, continue forward, then up the hill towards the exit.
- Sign out will be held at the same location.
- To speed the sign-out process at the end of the day, place your family's dashboard card showing through the driver's side front windshield & be prepared to show photo ID (staff closing that day may not know/recognize you). Photo ID must match the name of the person authorized to sign out for the day.
- Vehicles in the drive-thru get priority sign-in. Families who walk, bike or boat over will be signed in at the grassy area adjacent to the drive-thru once the drive-thru line is complete.
- If you are dropping off or picking up during "off hours" & having difficulty finding us, call the CampCo office to ask for the current location of campers; (949) 643-9008. **DO NOT ask the LMVA office where we are at any given time; they do not know where we are!**
- Picking up at non-drive thru times? Please avoid walk-in sign-out from 3:30pm-3:50pm & 5:30pm-5:50pm as campers & staff are very busy getting belongings together & preparing to walk to the drive-thru on time.
- For safety & proper supervision of campers, we will not do sign-in/out during our walk to & from drive-thru.
- Do NOT drop your child off & have them walk over unescorted!

In order to keep our camp day running with minimal interruptions, we request that families use our drive-thru times & are discouraged from parking & walking in to camp to sign-in & out at off-times. If you must drop off or pick your child outside of the drive-thru times, parents will need to park & walk their child to camp. Please wait just outside the camp boundaries (coned area) for staff to sign your child in or out. Only campers & staff are permitted within camp boundaries.

## **Late Pick-up Fees:**

- Campers not signed out by an authorized person by 6pm will result in a \$2 per child for every minute late.
- Time is determined by Site Director's watch/phone. Late fees are due at pick-up payable by cash or Venmo.
- Repeated late pick-ups may result in suspension or dismissal from the program.

## **Emergencies:**

- During & immediately after an emergency (ex. fire, police, severe earthquake or other emergency at or near camp), do NOT call the CampCo Office or the Club. It is vital that CampCo & camp site phone lines remain open so that we can make calls back & forth to our camp staff to check on campers, to call parents & to call emergency services, if necessary.
- CampCo will only telephone parents of campers who are injured or in need of parent pick-up. If everyone & everything is fine, parents will not be telephoned.
- Depending on the situation, we may send texts or emails, &/or post updates in our Facebook/Instagram so we may update multiple families quickly after an emergency.

## **Lunch/Snacks, Water & Snack Bar:**

- Campers must bring a healthy morning snack & may either bring or purchase lunch & afternoon snack.
- The Snack Bar Camp Meals include [REDACTED]. CampCo Lunch Menu choices:  
[REDACTED]

- Lunch orders are placed at 9:30am. Campers arriving after our order has been placed must either bring their lunch or their parents must order snack bar lunch & deliver the lunch to the child at camp at noon.
- Pack a lot of food; they are much more active & will likely eat more than on an average school day.
- Siblings must have separate lunch bags/boxes for each child.
- We are a "nut-free" camp. Please do not send pb&j sandwiches, Nutella, candies, cookies with nuts, etc...
- Campers usually eat lunch at 12pm.
- Afternoon snack: bring from home &/or bring cash for purchase from Snack Bar [REDACTED]. We recommend not sending more than [REDACTED] per child for Afternoon Snack Bar.
- Please send separate money for each sibling as campers go to the Snack Bar with their small group.
- Put Lunch/Snack money in a kid-wallet or ziplock with their name on it. Show your child where it will be in a side pocket of their backpack & remind them it stays in their bag until lunch order/snack bar time.
- Each camper is responsible for their own money & any change given.
- Campers may not share their money with other campers.
- CampCo reserves the right to limit campers' consumption of certain items from the Snack Bar (no nut items & limited candy/sugar treats).
- Leaders will remind campers to drink water & refill their water bottles at multiple times throughout the day. Please discuss with your child the importance of drinking a lot of water & refilling during the camp day.

## **CampCo Tie Dye Tuesdays & Thursdays:**

- Campers are encouraged to wear CampCo Tie Dye T-shirts at camp, especially on Tuesdays & Thursdays.
- CampCo Tie Dye T-shirts are available during morning drive-thru lines for \$15 each, cash or Venmo.

## **Boating:**

- Each morning, campers ages 8+ sign up boating choices. (Campers ages 5-7 will use party boats).
- Campers can sign up to use: Kayaks (age 10+) Pedal Boats (ages 8+) Party Boats (age 5+)
- For kayaks & pedal boats, Counselors accompany campers in their boat or a nearby boat.
- For party boats, a Counselor drives the boat.
- Campers & staff wear life jackets & remain seated while boating.
- During boating times, the ratio of counselors to campers is 1:10 (1:9 for party boats).

## Swim Time General Info:

- Campers swim daily, weather-permitting, beginning between 1pm-1:30pm & ending at 2:30pm.
- CampCo uses a reserved section of the beach/lake (near lifeguard station #3) during swim time.
- Beach/sand play is available for campers who prefer not to or are unable to swim for the day.
- Campers must remain within the designated CampCo lake/beach boundaries (coned area) during swim time.
- Supervision during swim time includes CampCo staff at a 1:10 ratio, each of whom is trained in basic water rescue & safety measures, CPR & First Aid. Lake Mission Viejo provides trained lifeguards. Additionally, we use a "buddy-system" when in the water to ensure safety.

## Swim Test:

- Not everyone is required to take the Swim Test.
- **Who should take the Swim Test?** Campers who are strong swimmers & want to do "deep end runs" out to the boundary markers of the swim area (as a group & accompanied by a counselor).
- **Who doesn't need to take the Swim Test?** Campers who are not strong swimmers or prefer to stay in the shallow end.
- Parents may request that their child remain in the shallow end & not take the swim test (must be done through our office at least 7 days in advance in order to print onto on our rosters).
- Passing swim test = Blue Wristband = Permitted to do deep-end runs with counselor.
- Not taking/not passing Swim Test = Orange Wristband = Play in shallow (chest-deep) swim area. A good portion of our campers will be in the "orange wristband" group.
- During the majority of swim time, all campers (blue/orange wristbands) will play in the shallow area.
- Swim Test is offered each Monday (or whatever is child's first day for the week). Campers test weekly. We do not test on Fridays.
- The swim test is challenging. Campers who pass must have strong swimming abilities & tend to be older campers. Your child's safety is our highest priority. Therefore, we ask that parents stand by our staff if their child does not pass the swim test & that they do not request an exception or for the child to be tested again that week. Campers are permitted to re-test each week of summer camp.
- On a case-by-case basis, CampCo may waive the requirement to re-test every week for stronger swimmers who easily pass the swim test. These campers will be given "Permanent Blue Wristband" status for summer.
- Campers may not wear/use floaties or use flotation devices from home as it encourages campers to swim in a depth that is beyond their abilities.

## Fishing:

- Campers will not be fishing, this summer, as stocking is on hold due to golden algea.
- Should conditions improve & stocking is resumed, we may add catch & release fishing onto our activities.
- See LMVA current fishing conditions: <https://lakemissionviejo.org/fishing-lake-mission-viejo/>

## Campers Enrolled in on-site LMVA Junior Lifeguards Program:

- CampCo can provide complimentary drop-off & pick-up of campers to on-site LMVA Junior Lifeguards.
- This service is available only on days when Junior Lifeguards meets & dismisses at North Beach.
- To partake in this service, **answer the Junior Lifeguard Program questions during online CampCo registration system or update the info no later than 7 business days prior to camp.**
- CampCo does not stay with campers & is not responsible for campers while they attend Junior Lifeguards.
